MAC WONDER WOMAN POWDER BLUSH IN AMAZON PRINCESS (12g, £21)

★★★★☆
A CHOICE of two shades in one allows colour blending from bright pink to a milder tone. There's a built-in mirror. Funky Wonder Woman packaging.

ORIGINS PINCH YOUR CHEEKS IN RASPBERRY (3ml, £12)

★★★★☆
A COLOUR stain which can be built up to depth of colour. Quite a bit is needed to achieve full colour and there is not a lot of product here.

NEW -ID I-BLOSSOM CHEEK STAMP IN ROSE (9g, £18.50)

★★★★☆
BABY pink with lots of shimmer, this sponge stamp is easy to use to any depth of shade. Comes with a built-in mirror so it can be retouched easily.

CLARINS BLUSH PRODIGE IN MIAMI PINK (7.5g, £24)

★★★★☆
A CHOICE of shades in one compact allows colour blending. Powder is easy to apply and soft enough to layer. The metallic compact is classy and contains a mirror and brush. The most expensive but worth it.

THE BODY SHOP BRUSH WITH FASHION TAILORED CHEEK TINT (10ml, £10)

★★★★☆
THIS gel is initially clear and then turns to a candy pink shade. The initial lack of colour makes this difficult to apply evenly and it leaves a slightly greasy film on the cheek.
